Shareable Graphics

Gas Machinery Conference provides technical training and presentations, created by the industry's leading subject matter experts. Educational sessions and presentations on recent GMRC research are valuable for design engineers, facility engineers, technicians and others, with an emphasis on the operation, maintenance and testing of gas compression machinery.

Face-to-face meetings are key to building strong relationships. GMC will be focused and productive, don't be left out.

How to Connect before the Conference

INDIANAPOLIS, IN

Make it Personal

Exhibitor: Encourage your followers and those interested in your products/services to visit your booth by sharing the event graphic. Include your booth number on the graphic for easy navigation. Consider adding a photo of your booth from a previous event to give attendees a glimpse of what to expect.

Tip: Posts from personal accounts perform significantly better on LinkedIn. Encourage your employees, brand ambassadors, and other connections to share the event graphic on their own LinkedIn feeds for wider reach.

Make it Personal

Sponsor: Thank you for your continued support of GMC. You should be proud of your commitment to education and excellence for our industry. Include a photo of your team members who will be attending the conference to connect with attendees. Alternatively, feature your company logo to reinforce brand recognition. Share the event graphic on your social media channels to reach a wider audience and generate excitement about your presence at the conference.
